- Travel budget planning app that allows users to estimate travel costs and budget accordingly

Project 4: ABC Training - React, Redux, Ruby, Rails, PostgreSQL (forthcoming)

- Company website with built-in document sharing platform for training companies to efficiently share materials with clients

WORK EXPERIENCE

STAFF ASSISTANT | FINANCIAL INTEGRITY NETWORK

Mar. 2017 - Mar. 2018

- Coordinated international travel logistics and expenses for 15 FIN team members on a \$250,000 per year travel budget
- Compiled research briefs to support media interviews and congressional testimonies
- Implemented and served as a system administrator for the firm's online learning management system to provide training and certification to clients
- Designed and implemented the firm's email marketing strategy to over 1,000 contacts

RESEARCH INTERN | CENTER FOR STRATEGIC AND INTERNATIONAL STUDIES

Sept. 2016 - Mar. 2017

- Published daily news briefings on asymmetric conflict and terrorist activity worldwide to an audience of 200+ external readers
- Coordinated travel logistics and research support trips for field visits in support of long-term investigations (London, Malta, Norway, and Denmark)
- Helped facilitate external presentations, briefings, and dinner events
- Monitored the political and security situation in Libya for an upcoming report on the intersection of transnational smuggling networks and violent extremist organizations

RESEARCH INTERN | INSTITUTE FOR THE STUDY OF WAR

Spring 2016

- Collected and analyzed open source intelligence about political and tactical-level kinetic events in Iraq from Arabic language media
- Drafted daily news briefings, weekly intelligence summaries, and long-form blog posts on rapidly developing events for military and foreign policy professionals
